

Lyons Systems and BreakerPRO Privacy Policy

Last updated: 24 May 2018

Respect for your privacy is a key priority. Since we created BreakerPRO we've tried to build our application with a set of strong privacy principles in mind.

The BreakerPRO applications (mobile and desktop) provide stock management, sales and invoicing services for our subscribing customers. Our Privacy Policy helps explain our information practices. For example, we talk about what information we collect and how this affects you. When we say "Lyons Systems", "BreakerPRO", "our", "we" or "us" we're talking about Lyons Systems LTD. This Privacy Policy ("Privacy Policy") applies to all of our apps, services, features, software, and website (together, "Services") unless specified otherwise

A legitimate interest is when we have a business or commercial reason to use your information. But even then, it must not unfairly go against what is right and best for you. If we rely on our legitimate interests, we will tell you what that is.
